Karen, is Tom planning to walk down to your office? Mike and I can call you guys -- think we can call two phones if Tom is somewhere else or you are not both at EPA R9 office.

Hey Mike,

We have an EPA - Corps BDCP coordination meeting tomorrow at 10 AM. I can walk over to you again if we decide as a group to keep it.

We talked recently but I'm thinking it would be good to touch base and maybe have a quick meeting that ends early.

Few things we can close the loop on are:

1. Has Corps discussed suggested changes to DWR's proposed Purpose statement for Delta Conveyance? If so, what is the update? If not, when do you anticipate having that discussion with DWR?
2. How will P & N (and other) milestones be memorialized? Email? Letter exchange on letterhead?
3. Anything else?
